The Honorable Board of Supervisors

383 Kenneth Hahn Hall of Administration

Los Angeles, CA 90012

Dear Supervisors:

## **ADOPTION OF RECOMMENDATIONS TO ESTABLISH PRIORITIES FOR FUTURE FUNDING OF GENERAL CHILD CARE AND STATE PRESCHOOL PROGRAMS IN LOS ANGELES COUNTY (ALL DISTRICTS) (3 VOTES REQUIRED)**

### **IT IS RECOMMENDED THAT YOUR BOARD:**

1. Adopt the Child Care Planning Committee recommendations (Attachments I and II) to update the priorities for future funding for General Child Care and State Preschool programs by the California Department of Education/Child Development Division (CDE/CDD).
2. Direct the Chair to sign the enclosed Local Planning Council (LPC) County Priorities Report Form.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval is needed from your Board and the County Superintendent of Schools for the revised priorities for future funding of General Child Care and State Preschool programs by CDE/CDD. These programs provide half-day pre-kindergarten programs (State Preschool) and full-day child development services for children from income eligible families in center-based and family child care home networks. The priorities indicate the areas where large numbers of un-served children in eligible families reside.

The CDE/CDD requests identification of priority areas to guide the process of allocating new funds for State Preschool and/or General Child Care programs, when the funds become available.
